## **New England Lighthouse Lovers breaks a milestone in donations**

Dear NELL Members,

It is my great pleasure to inform you that NELL has passed a milestone in our donation efforts. If it wasn't for the hard work of NELL's past and present officers, board members and members, this wonderful accomplishment would not have happened. In less than 10 years, NELL has donated more than \$100,000.00 to various New England Lighthouses and lighthouse museum preservation efforts.

Congratulations and thank you for a job very well done! Keep up the good work.

Regards,

Tom Kenworthy  
President  
New England  
Lighthouse Lovers

To all NELL Members.

You should all be congratulated. We at the Avery Point Lighthouse certainly appreciate the donations and support you have provided to us throughout the years. I am sure other lighthouses you have donated to feel the same way.

Way to go. Keep up the great work.
