October 2019

NELL Members and Guests:

Our Downeast Maine event in September 2019 was truly enjoyable! We had the benefit of exceptional weather for the entire weekend. Many people contributed in countless ways to make the weekend's events successful.

On Saturday, September 21st, Eastport Windjammers took us to view Lubec Channel Lighthouse, Mulholland Light, West Quoddy Head Light and Head Harbour Light Station, as well as some Canadian lights. We also saw the Old Sow and had sightings of seals and whales, which added to the enjoyment of the boat trip.

Next on the agenda was a brief but informative membership meeting at the Robbinston Historical Building. Ron Foster turned the meeting over to our incoming president, Henry Winkleman. Bill Kent presented the Mr. NELL painted buoy to Ron Foster. Carolyn Carbone presented the Ms. NELL painted lighthouse to Linda Sherlock. Tim Harrison, editor and publisher of Lighthouse Digest, gave a presentation during which he emphasized the need to preserve lighthouses and keep the memories of the keepers alive for future generations. Tim and his wife, Kathleen Finnegan, should be highly commended for their endeavors.

After the meeting we headed to Whitlock's Mill Lighthouse, which was a very short drive north. For many members, it was the first time they'd had the opportunity to climb the tower and walk the grounds. This is truly a beautiful setting for a lighthouse.

On Sunday, September 22nd, many of us made the trek over slippery seaweed, rocks and ladders to Head Harbour Light Station on Campobello Island. It was a strenuous walk, but well worth it. The lighthouse and grounds offer spectacular views. Friends of Head Harbour Light Station are to be applauded for their efforts in maintaining the lighthouse and buildings which are in magnificent condition.

Our last scheduled stop was West Quoddy Head Light, where we were greeted by Tim Harrison, Kathleen Finnegan and several volunteers. NELL presented WQHLKA with a check for \$4,100.00, per their grant applications, which were approved at our membership meeting. We all had the opportunity to climb the tower, take photos and say goodbye to our NELL friends until our next event.

Lighthouses, Hot Chocolate and You (LHHC&Y) will be held in New London, CT on January 11, 2020. Elinor DeWire will be our guest speaker. Save the date in your calendars, but more details will follow in the upcoming months.

A huge "Thank You" to all who contributed in any way with planning and executing the weekend's events! I appreciate all the guidance and input.

We have been waiting with big news to share. But we wanted to wait for the official photo and share it with you all today.

(left to right) Ron Foster (Past President of NELL), Lee Hall (Vice President of NELL), Kimberly Ashby (Executive Director of West Quoddy Head Light Keepers Association-WQHLKA), and Timothy Harrison, (member of the Board of Trustees of WQHLKA and Editor of Lighthouse Digest).

On Sunday, Sept. 22, in the early afternoon, fifty-four of the NELL New England Lighthouse Lovers members visited West Quoddy Head Lighthouse and Visitor Center

The NELL group stayed at the lighthouse for around 3½ hours. They had a chance to climb the tower, take in the stunning ocean views of Quoddy Narrows and the Bay of Fundy.

During this time Pat our Sunday volunteer did an amazing job with the NELL group and then not to mention all of the other visitors we had come visit the museum. It sure was a busy day selling t-shirts, artwork, and greeting visitors. NELL announced that they had approved two grant applications submitted by Tim Harrison on behalf of the WQHLKA; one for a \$3600 for a museum quality display case(s), and one for \$500 for a reproduction U.S. Lighthouse Service keeper's jacket and hat. NELL presented WQHLKA with a big check at the end of this wonderful visit.

At the end of the day the NELL group then presented us with a check for an additional \$500 donation for our hospitality. Wow! Now that is Big News. Thank you so much NELL!
